Relocating to a new country is once in a lifetime experience. Allow a professional to take care of the procedures, so that you can fully enjoy your new start. Australia is calling you.....

### Skilled Immigration of Engineers to Australia

As per Engineering service Australia guidelines, Migration Skills Assessment is a mandatory requirement for recognition of persons, intending to apply for skilled migration to Australia within the Engineering Profession.

For assessment of non-recognised qualifications, compilation of a Competency Demonstration Report (CDR) is one of the very essential and important condition. If you are an Engineer having requisite qualifications, professional experience and looking for an opportunity to relocate to Australia, then this an appropriate launch Pad for you to take off. **Check Eligibility criterion for skilled migration on our website.**

### The Magic of Success

Preparation of CDR by our skilled professional team will indeed give your career a successful and revolutionary impetus, which in turn will transform your ensuing future, magnificently. We adopt very systematic and methodical approach towards formulation of plagiarism free competency demonstration report, unique to every applicant towards skilled immigration.

We have a proven track record of preparing complete and technically correct CDR as per the guidelines of Engineering service Australia. Though, we don't guarantee immigration per se, yet our prepared CDRs are testimony to our success stories.

We offer service at nominal fee towards preparation of complete Competency Demonstration Report (CDR) as per Migration skills assessment Guidelines of Engineering service Australia (EA).

### Preparation procedure for Competency Demonstration Report

A systematic and methodical procedure is adopted towards preparation of Competency Demonstration Report (CDR). The prospective applicant will be evaluated as per the Engineering service Australia requirements. On being successful, the applicant will be advised to submit the CV and other relevant details as per the guidelines.

### Master Question List

We have prepared a set of Master Question List for formulation of Career Episodes. Each applicant is required to submit the answer for each career episode, distinctly and separately. The honest and transparent depiction of applicant's experience and engineering acumen will facilitate in formulation of winning Career Episodes. This fine correlation is crucial towards preparation of Summary Statement, CPD and Resume/ CV as well.
